

LESBIAN/GAY/BISEXUAL COMMUNITY RESOURCES

Sheridan College - Gay Straight Alliance (Trafalgar)	Contact Name: Khotso Young Contact Email: sheridan_gsa@live.ca
<p>We are the GSA Sheridan's own Gay Straight Alliance. A diverse community that deals with awareness and support for all sexualities. Our ideals start off by creating a safe, secure, and positive environment, that promotes tolerance and understanding. We hope to aid members from all walks of life, and backgrounds. We hope to aid members on the path to self-discovery. Through our weekly meetings we will cover a range of topics: Some of these topics will be; the culture and history of the Gay community, movie nights, ways members can actively take part in the community, safe sex education, and fun group activities. We will also host an open question/discussion for all members to take part in. The GSA is a safe and fun environment where everyone is welcome!</p>
